## THE NEW TATA 207 DI RX ADVANTAGE

- **Rigid Suspension**  
The new 207 DI RX has a rugged Parabolic Leaf Spring Rigid Suspension, ensuring longer intervals between service visits, which means better business and increased profits.
- **Engine Power :**  
DI RX Engine gives an increased mileage of 8 - 10%. Higher torque at a wider range of rpm ensures less number of gear changes and saves fuel. Higher HP ensures faster pickup. Comes with an unmatched 3 lakh km/ 3 year warranty.\*
- **Ground Clearance :**  
Highest ground clearance in its class at 210 mm. Turning circle diameter reduced by 1m for smooth maneuverability, shortest in its class.
- **Loading Area :**  
Largest loading area in its class, which ensures a greater volume for loading.
- **New Interiors :**  
First Pickup with Power Steering. Styled interiors with new-look seats, carpet and super grip adjustable steering for increased driving comfort. 3 seat belts ensure extra safety. Unmatched cabin comfort with features like black colour touch parts, bottle and magazine holder. RPM meter to ensure correct gear change. Trip meter to track km on runs.
